Sample Cruise Wedding Day Schedule

Here is a sample of a Cruise Wedding while the ship is in Port. Please note that the following represents the schedule of the day's activities while in port and the times represent sample times ONLY.

8:00am: Wedding Planner collects couple at gangway with a Dreamy Weddings sign. The couple will be taken to the Ministry of Legal Affairs or Lawyer's office, if applicable (not needed in St. Maarten and Jamaica) where the couple will pre-apply for their marriage license.

9:00am: The couple will be taken back to the cruise ship after legal signing.

10:00am: The design team along with lead coordinator will be present at the wedding site to ensure that your wedding package and décor is in order before your arrival.

12:30pm: Or any time thereafter scheduled for the ceremony, the couple and their guests will be picked up by our coordinator and taken to the ceremony site. The Marriage Officer will be at the site awaiting the couple's arrival. (This time could be earlier for weddings in Jamaica and St. Maarten).

The ceremony will begin and a wedding song/march will be played upon the couple's arrival. The couple always has a choice if they wish to recite their own vows (notice must be given to Dreamy Weddings at least 3 weeks in advance). After the ceremony time is allotted for photos, toasting etc. if this was included in package.

2:30pm: The couple is taken back to the ship.
